# My Block: Signing Up

Oh, you don't already have a valid username and password?

Well sign up!

My Block	
<a href="#">Log In</a> <a href="#">Sign Up</a>	
Oh No, something was wrong with your login	Would you like to <a href="#">Sign Up</a> ?
	or <a href="#">Log In</a> ?

# My Block: Swiper, No Swiping

During Signup, to prevent injection attacks, special characters like:

< > | \$ [ ]

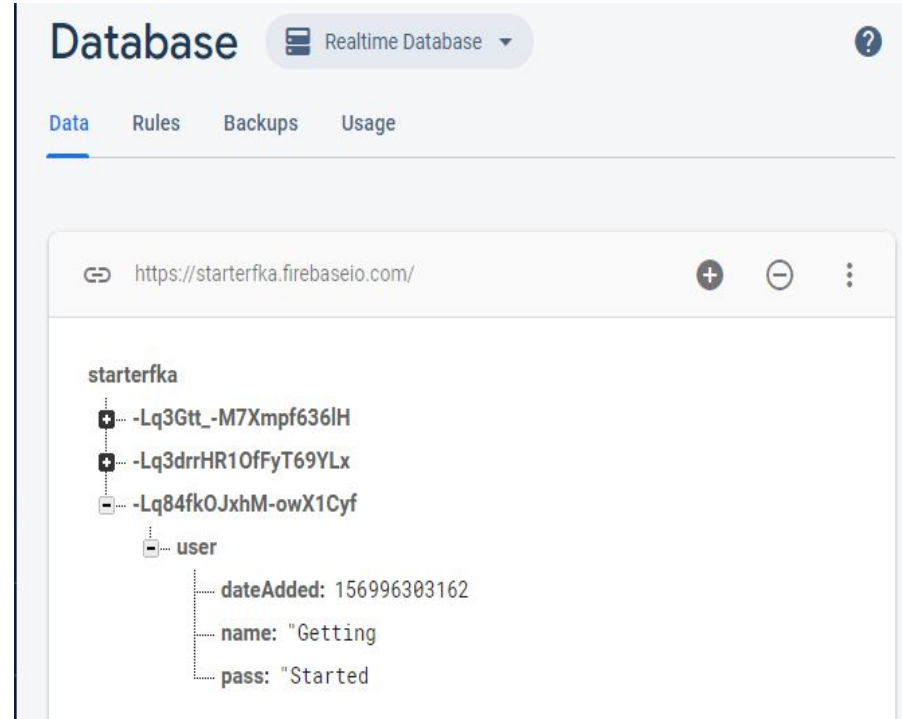

are prevented. Plus for security all usernames and passwords must be 6+ characters long.

The diagram shows a web interface for 'My Block'. It features a central registration form with the following elements:

- Log In** (link)
- Sign Up** (link)
- Enter Your Name:**
- Enter Your Password:**
- Submit** (button)
- Do not use these characters in usernames:** < > ! \$ { }

Login info is stored in my database for persistence and will help to build user suggestions in the future.

Please use your full name and SSN for maximum security.
